

Southern California Regional Robotics Forum (SCRRF)

- Nonprofit association of member FRC Teams formed in 2004
- Annually hosts events for teams including:
 - ◆ Pre-Ship Scrimmage
 - ◆ Fall Classic
 - ◆ Fall Workshops
- Part of event registration fees used to fund scholarships for regional robotics team members who are high school seniors

SCRRF Scholarships

- Offered first \$500 scholarship in 2005
- Offered two \$500 scholarships since 2007
- A grant from Time Warner Cable will allow SCRRF to offer at least two \$1000 scholarships in 2011

2010 SCRRF Scholarship Applications

Name	Team	High School	City
Robbie Gleichman	294	Redondo Union	Redondo Beach
Carrine Johnson	2637	PV Peninsula	Palos Verdes
Morgan Luckey	1070	Louisville	Woodland Hills
Megan Ruane	207	Hawthorne	Hawthorne
Ryan Sharp	294	Redondo Union	Redondo Beach
Cynthia Wong	599	Granada Hills	Granada Hills

2010 SCRRF Scholarships

- Applications reviewed by active SCRRF leaders who did not know any of the applicants
 - ◆ David Brinza, PhD
 - FRC Team 980 Lead Mentor
 - Principal Systems Engineer, JPL
 - ◆ Ralph Mills, PhD
 - VEX Robotics Event Coordinator
 - Small Manufacturers Institute
- Two applications selected unanimously

Ryan Sharp

- Captain, FRC 294 Beach Cities Robotics
- Led his VEX, FTC and FRC teams to qualify for several World Championships during the last three years
 - ◆ Won the 2008 FTC World Championships
- “Acted with maturity well beyond his years”
- “Demonstrated the highest values of *FIRST*”
- Non-weighted GPA: 3.46
- Plans to attend San Jose State University

Carrine Johnson

- Captain, FRC 2637 Peninsula Robotics
- Recruited new team advisor this year
- Summer INSPIRE intern at JPL
- “Organized, hardworking, and good at communicating”
- “Carrine is a very poised and personable young woman and spokesperson for JPL.”
- Non-weighted GPA: 3.76
- Plans to attend MIT
