

Southern California Regional Robotics Forum 2012 Scholarship Presentation

SCRRF is a division of Los Angeles Robotics

SCRRF

Southern California Regional
Robotics Forum

What is SCRRF?

- The Southern California Regional Robotics Forum (SCRRF) is a nonprofit association of FRC teams formed in 2004 and incorporated as a division of Los Angeles Robotics in 2010
- SCRRF hosts events for teams including:
 - Pre-bag Scrimmage
 - Fall Classic
 - Fall Workshops
- Part of event registration fees fund scholarships for regional robotics team members who are high school seniors

2
