

--Los Angeles Robotics--  
Southern California  
Regional Robotics Forum  
Scholarship Winners

2017

# Lucas Martos-Repath

**FRC 589 Falkon Robotics**

**FLL Mentor & Coach**

**GPA 4.28**

**Intended major: Mechanical  
Engineering**

**A mentor's comment: "He is the rare  
student you can build a program or a  
team around."**

# Matthew Krager

**FRC 3309 Friarbots-- President**

**VRC 3309B Friarbots B-- President**

**GPA 4.46**

**Intended major: Computer Science**

**Accepted at Cal Poly SLO**

**Mentor comment: "During FLL Season, Krager finished a strenuous school day packed with AP classes and then headed over to his former middle school to mentor the FLL teams he started with fellow Friarbots."**

# Christopher Lewis

**FRC 6908 Killa-Byte Cubs**

**FTC 9804**

**GPA 4.03**

**Intended major: Mechanical Engineering**

**Teacher's comment: "His ability to solve any type of technological problem and his generosity with his time made him respected and admired by all."**
