**Los Angeles Robotics
1457 3rd Street
Manhattan Beach, CA 90266**

**State Charity Registration No. CT0169201
Corporate or Organization No. C3103255
Federal Employer I.D. No. 20-0572530**

For most recent full accounting period (beginning 07/01/2013 ending 06/30/2014).

Part B, Question #1

1) Full name of the director, trustee, or officer involved and position with the organization.

LeRoy E. Nelson, Treasurer and Director

2) Nature of the transaction, e.g., loan to director, contract with officer's business, etc.

The business operated by Anita L. Nelson, MD, the wife of the Treasurer, supports the organization by providing the use of its printing equipment, charging the organization a cost per printed page computed to recover the cost of paper and printer supplies. The computed cost per page was \$0.05 for text and \$.012 for color copies. This saves the organization both time and money compared to using other sources to print documents for each event.

The business operated by Anita L. Nelson, MD, the wife of the Treasurer, supports the organization by purchasing audiovisual equipment to be used primarily by the organization and renting it to the organization for between one-third and one-half of what it costs the organization to rent comparable equipment from other sources. The organization did not and does not have sufficient uncommitted assets to purchase this equipment. This saves the organization a substantial amount of time and money compared to renting the equipment from other sources for each event.

3) Attach a copy of the board of directors' meeting minutes authorizing the transaction.

Not applicable.

4) Include, if applicable, the date of transaction; purpose of transaction; amount of the loan or contract; interest rates; repayment terms; balance due; type of collateral provided; copy of contract, loan or other agreement; amount paid to director, trustee, or officer for the period; evidence of other bids received related to the transaction.
